Re: Letter of reference

Micah,

I wanted to thank you for the excellent work that you have done on behalf of WeedMD Inc, of which I am co-founder.

The Paragon Group has proven invaluable during the expansion of our Strathroy facility, anticipating our energy needs well in advance of when we need the power. You have been highly responsive, knowledgeable, and easy to work with.

Feel free to share this letter as a letter for reference with your prospective client.

Sincerely,

Dr Luc C Duchesne, PhD
